

TARGA ROTORUA
MAY 2021

As part of my oft avowed intention
to 'pull back from organisig everyone

This time I did just that
YEAH RIGHT

Dale provided a full start vrew

Jamie a finish crew, with myself just being
'the elder statesman'
with those of us with Hamie
all staying with Darryl in Rotorua itself

However as it is said Nature Abhors a Vacuum
so from being just an interested
onlooker – great stuff-
I was suddenly a spare bod and
roped in to blockmarshal
some distance away.
happy to help.(of course)

I therefore cannot comment on
either crews activities
I simply wasn't there!!

Sorry about that chief!

But by all accounts, all went well
as it should we fulfilled all our
collective obligations
and
arrived gome 'tired abut happy'
